Notes: Bobrick MatrixSeries™ units should be cleaned with a soft cloth; do not use abrasive cleaning pads

Use of proprietary names is intended to indicate a type of cleaner shown to provide environmentally-safe, effective cleaning with no or minimal degradation of the material surface. Omission of any proprietary cleaner does not imply its inadequacy. It should be emphasized that all products should be used in strict accordance with instructions on package.

This Advisory Bulletin is offered as a guide of standard cleaning situations only, and does not attempt to cover all soil conditions or commercial products that could be potentially harmful to MatrixSeries™ units.
