The original Waterless® urinal sealing liquid with a 20+ year track record. It can be added to ANY non-water using urinal. No special cleaners to purchase! All commercially available cleaners may be used to clean the urinal without harming BlueSeal® in the trap. An economical alternative to costly cartridge/liquid packages. Freezing point is -60°F. Zero evaporation at 100°F. Saves winterization costs.

Unlike Any Other!

BlueSeal® Refill

One 3oz. refill will last approx. 1500 uses.
No Need to Refill Daily or to Remove Trap for Refill!

1. Screw the Portion Aid onto a BlueSeal® quart bottle.
2. Squeeze bottle to measure out 3 oz. of BlueSeal® into Portion Aid.

3. Pour BlueSeal® directly into trap insert or cartridge. Just Add It!

Works on all non-water using urinals!
